ANNOUNCEMENT OF CHAMBER OF COMMERCE NEW COMMITTEES

The Thunder Bay Chamber of Commerce has added four new committees to its list of current active committees. The Chamber of Commerce is calling all Members and their staff to consider participating in one of the following new committees:

- **Economic Development**- Monitors and interprets government legislation that will impact business and make recommendations for action to the Chamber of Commerce Board of Directors. The committee will work with the Economic Development Department within the City of Thunder Bay and area to ensure that there is a climate for growth of existing business as well as new business.
- **Government, Taxation & Municipal Issues**- Monitors government initiatives of interest to Chamber Members, surveys and informs members of the impact of such initiatives as well as formulates responses to the government on behalf of our business community. Provides Members the opportunity to make a difference in things that directly impact the business community---taxes, recycling to downtown parking.
- **Policy Committee**-Members with an interest in the federal and provincial government and Municipal issues government are encouraged to participate in the Policy committee.
- **Membership Marketing Committee**- Membership recruitment, sales and retention are the key functions of this committee. This committee provides direction on the development of marketing and communication initiatives and aims to help reinforce the Chamber's reputation as a leading Voice of Business in Thunder Bay.

Committee Membership is open to all Chamber members and their employees. By joining the Chamber of Commerce committees, you can provide your input for positive change and direction in your area of interest. For details on Committee dates, past minutes and other existing Committees contact the Chamber of Commerce office @ 624-2626, or call Martha Picard @ 624-2631.
